TOSHIBA

Satellite/Satellite Pro U200

Ultra-portable notebook for everyone.

Ultra-portable "all-in-one" notebook for everyday use

- This 2-spindle ultra-portable comes in a sleek, light design weighing just 1.86 kg and provides up to 5 hours of independent use
- Achieve maximum performance and enjoy breakthrough entertainment thanks to the Intel® Core™2 Duo Processor with its enhanced multitasking capabilities and future-proof 64-bit technology

Carefree mobile computing with Toshiba EasyGuard

- Includes Toshiba's Shock Protection Design with Magnesium Casework for improved durability and greater protection of critical system components
- Shock absorption, HDD Protection and Toshiba's own 3-axis motion monitoring system reduce the risk of hard disk drive damage and data loss due to shock, vibration or being dropped
- Fingerprint Reader provides convenient one-touch fingerprint password authentication for all system passwords (BIOS, HDD and Windows)
- Spill-resistant Keyboard allows ample time for users to save their work and shut down the system in the event of a spill

Ultimate multimedia experience and enhanced productivity

- Superb 12.1" WXGA TFT widescreen display enables users to view work-related content on a larger viewable area as well as enjoy DVDs in all their widescreen glory
- Benefit from greater brightness with the Toshiba TruBrite® display
- SRS® TruSurround XT™ and WOW HD™ virtual surround sound effects ensure a wider and more dynamic sound stage

Enjoy DVD at your fingertips and archive data on DVD

- Integrated DVD Super Multi (Double Layer) drive for up to 8.5 GB of data storage, multimedia recording and playback of CDs and DVDs
- Dedicated Multimedia Bar with Easy Keys enables convenient one-touch CD/DVD/MP3 player control

Easy connectivity for every environment with Toshiba EasyGuard

- Integrated Wireless LAN 802.11a/b/g, V.92 modem, Ethernet LAN and Bluetooth® version 2.0 with EDR
- Mobile working is simplified thanks to Toshiba ConfigFree™ for seamless LAN, WLAN and WWAN connectivity
- Toshiba Summit software boosts productivity through efficient wireless conferencing functionality, including file sharing and chat
- Integrated microphone, stereo speakers and audio-out – ideal for VoIP calls
- The Toshiba Wireless Key Log-on function offers the added convenience and security of automatic password authentication via a Bluetooth® phone (on selected models)

CPU performance may vary from specifications under certain conditions such as the use of battery instead of AC power, certain external peripherals, certain multimedia applications or network connections, complex modeling software and in areas with low air pressure at high altitude (1,000 metres above sea level) and/or certain temperatures. CPU performance may also vary from specifications due to design configuration. Under some conditions, your computer may automatically shut down as a normal protective measure. To avoid risk of lost data, please make periodic back-up copies. For optimum performance, use your computer only under recommended conditions. Please read detailed restrictions in the product resource guide, visit the Toshiba web site: computers.toshiba-europe.com and/or contact Toshiba Technical Support. • Graphics processor unit (GPU) performance may vary depending on product model, design configuration, applications, power management settings and features utilized. • Part of the main system memory may be used by the graphics system and therefore reduce the amount of main system memory available. • For PC's configured with 4 GB of system memory, the full system memory space for computing activities will be considerably less and will vary by model and system configuration. • For information about upgrading your system memory please refer to the user manual or contact your local Toshiba service provider. • One GB means one billion bytes, accessible capacity may be less. • Wired and wireless communication capabilities to be applied in countries where approved. • Battery life may vary depending on applications, power management settings and features utilized. Recharge time varies depending on usage. Battery may not charge while computer is consuming full power. After a period of time, the battery will lose its ability to perform at maximum capacity and will need to be replaced. This is normal for all batteries. To purchase a new battery pack, see your accessories information that shipped with your computer or visit the Toshiba web site at computers.toshiba-europe.com. • Small bright dots may appear on your TFT display when you turn on your PC. Your display contains an extremely large number of thin-film transistors (TFT) and is manufactured using high-precision technology. Any small bright dots that may appear on your display are an intrinsic characteristic of the TFT manufacturing technology. • Weight may vary depending on product configuration, vendor components, manufacturing variability and options selected. • SRS® TruSurround XT™ is only available for WinDVD applications. SRS® WOW™ is only available for Windows Media Player 9 in standard Windows interface. Please check your system specifications to ensure optimal results. • Microsoft® Office OneNote™ 2003 is not available in all countries. • Certain notebook chassis are designed to accommodate all possible configurations for an entire product series. Your selected model may not have all the features and specifications corresponding to all of the icons or switches shown on the notebook chassis. • Not all Windows Vista features are available for use on all Windows Vista Capable PCs. Check: www.windowsvista.com/getready for details.

TEG September 2006, Art. No. EN-GR_Sat-SatProU200_DataS_Sep06. Windows and Windows Vista are either registered trademarks or trademarks of Microsoft Corporation in the United States and/or other countries. All trademarks are acknowledged. Product specifications, configurations, prices and system, component/options availability are all subject to change without notice. Product design specifications and colours are subject to change without notice and may vary from those shown. Errors and omissions excepted.
